WASHINGTON DC TO HOST FALL 2012 USLAW NETWORK CLIENT CONFERENCE

CORAL SPRINGS, Florida (July 28, 2011) – The Omni Shoreham Hotel in Washington DC has been selected to host the Fall 2012 USLAW NETWORK Client Conference scheduled for October 4 – 6, 2012.

Since 1930, the Omni Shoreham Hotel in Washington, DC has played host to presidents, world leaders and inaugural balls, making it a true historic Washington landmark. Located in one of the most influential cities of the world, this grand luxury hotel offers a resort atmosphere and a personal taste of politics, culture, art and music at its best. The four-diamond Omni Shoreham Hotel is nestled on 11 acres in picturesque Rock Creek Park in northwest Washington, DC.

For the first time since the formation of USLAW's partnership with the Trans European Law Firm Alliance (TELFA), USLAW and TELFA will host a joint meeting with all TELFA member firms expected to be in attendance. TELFA will be conducting its regular Spring/Summer meetings in Washington DC alongside the USLAW Conference and will be fully integrated into USLAW's meetings and events.

"For the first time since Fall 2007, USLAW is heading back to DC and we can't be more excited," stated Roger M. Yaffe, USLAW Executive Director. "As one of our country's truly international cities, there is no more appropriate location to welcome our friends from TELFA as we join together for this Conference."

"TELFA is delighted to join forces for this conference," remarked Giancarlo Agace, TELFA Executive Director. "Holding its annual meeting in the US and in one of the most prestigious cities in the world will considerably consolidate the already very well established and longstanding partnership with our friends of USLAW. All the member firms from both organizations will be able to meet, interact and work together towards a very exciting event with a truly international flavor"
