## SAFETY PROTOCOLS

As USLAW re-engages with live events, our organization has established several COVID-19 safety procedures in conjunction with host hotels and venues. In addition, we will be monitoring both CDC and Wyoming Department of Health guidelines. As we proceed over the coming months, we will adjust these safety procedures as necessary and will communicate them with participants in advance of the event. The combined health, safety, and well-being of all attendees is our primary focus.

At the time of the production of this invitation, the following are a few of the safety protocols that will be in place. We will update all attendees with any changes prior to the event.

- A symptom survey will be required to be completed upon arrival.
- Temperature checks will be done upon arrival and at the beginning of the day on July 19 and 20.
- Tele-health services will be provided for all attendees if necessary or requested by an attendee.
- Mask usage will be determined at the time of the Forum as directed by the policies of the hotel, CDC, and Wyoming Department of Health.
- If an attendee is confirmed COVID-19 positive, USLAW and the hotel will assist the individual as needed regarding extended lodging and arrangements to return home.
