ABOUT THE 2022 USLAW NETWORK GENERAL COUNSEL & OUTSIDE COUNSEL FORUM

The 2022 USLAW NETWORK General Counsel & Outside Counsel Forum is a two-day, highly interactive event with discussions focusing on the most important current and future legal issues that impact your business. Instead of the standard presentation format, the Forum is deliberately fluid in nature, encouraging attendee participation thereby providing a wealth of information and practical experience on the very topics being discussed. Just some of these topics include the following:

- Nuances of Attorney/Client Privilege
- 30(b)(6) – Best Practices to Prepare the Corporate Witness
- Ransomware and Other Cyber-Related Issues
- Responding to Third Party Subpoenas
- Cross-Border Impact - M&A and Contracting
- Labor and Employment – Is it Really the Great Resignation

Please join us May 2-3 at the beautiful Royal Palms Resort in Phoenix, Arizona.

INDULGE & PAMPER

Arizona has long been an oasis for those seeking the healing properties of the desert, including Delos Cooke who, in the 1920's, constructed the Royal Palms estate in Phoenix's warm and restorative climate as a wellness retreat for his wife, Florence. Decades later, Royal Palms remains a respite offering relaxation and restoration for body and soul. USLAW guests will enjoy either a 50-minute Custom Massage or 50-minute Facial. **Includes one, 50-minute treatment and a box lunch. Limited to 10 people.**

ABOUT THE HOTEL

Set on nine perfectly manicured acres at the base of Camelback Mountain in the heart of Phoenix and Scottsdale, Royal Palms Resort and Spa elevates the hotel experience to extraordinary heights. Featuring a classic Mediterranean motif, the resort originated as a 1920's desert mansion, reflecting Spanish Colonial architecture at its finest. Stroll the gracious grounds, stay in artful Spanish-inspired villas and casitas, and treat yourself to five-star service and impeccable cuisine. A luxury spa highlighting Mediterranean modalities and an intimate palm tree-lined pool with private cabanas top the list of coveted amenities at our award-winning resort in Phoenix.

WHY USLAW NETWORK

In today's global marketplace, legal needs often transcend geographic boundaries. To operate globally, you need to have an edge locally. This requires an in-depth understanding of local cultures, economies, laws, governments, trends and business climates. This kind of edge not only enhances your competitive position, but also allows you to anticipate – and even influence – changes in the market, and to react quickly and effectively.

Clients with these types of complex needs turn to USLAW NETWORK (USLAW) member firms to represent them in the courtroom and the boardroom, next door and across the United States and around the world. USLAW member firms are some of the most highly respected law firms in their respective jurisdictions. Each member firm is admitted only after substantial due diligence and is rigorously reviewed to ensure they meet USLAW quality service standards.

The collective expertise of USLAW member firms is impressive. National and international law firms, while they may have scores of offices, do not have access to the depth of the legal resources available through USLAW. As well, our lawyers know and respect each other. Through friendship, networking and resource-sharing, USLAW attorneys develop the type of cooperation and client-focused service that corporations demand of their legal counsel.
