RESTRICTIONS ON PHOTO AND VIDEO

Attendees at USLAW NETWORK events such as conferences, dinners and social gatherings are encouraged to enjoy themselves. Be respectful of your fellow attendees. Please do not photograph video or otherwise record another member, client or corporate partner unless you have that person's permission to do so and advise her or him that you may share what you have recorded. Understand that anything you share digitally can be distributed on the internet, and most content is searchable. Even if you share a comment, picture or video in a site that you believe is "private," anyone can take it and share outside, so keep in mind that all content is explicitly or potentially public. Something that may be fun at the moment, is something that an attendee may not want to share with those not at the USLAW Event. USLAW NETWORK reserves the right to take appropriate steps to ensure that our members, corporate partners and clients are respectful of each other.
