

# DON'T LET THIS YEAR'S OFFICE SUPPLY BUDGET GO TO WASTE

*Introducing the  
USLAW/Staples Advantage Program*

**Staples Business Advantage** is committed to setting your firm up for success 365 days a year. As an approved USLAW NETWORK supplier, *Staples does the legwork for you*, finding the right products and services you need **at the right price.**

**Staples works with USLAW to get the best-negotiated pricing on the items your firm uses the most, so you don't have to shop around.** Not only do we offer USLAW firms several hundred heavily discounted products, but Staples Advantage will customize a program specific to your firm and your needs ensuring that this pricing will beat any competitor or program your firm currently purchases from.

## **AND NOW A BONUS NEGOTIATED BY USLAW!**

Your firm's attorneys, administrative staff, and employees\* will automatically be eligible for a USLAW/Staples employee discount program for their personal/at home office supply needs.

Plus, three percent (3%) of all USLAW member firm employee sales will be donated by Staples to the USLAW NETWORK Foundation, a 501(c)(3) charitable organization organized exclusively for charitable and educational purposes, including funding scholarships to provide financial assistance to diverse law students pursuing a legal education at an American Bar Association-accredited U.S. law school.
